LIMITED EDITION

#ARTISTICCOLLECTION

Featuring FERRARI designed EDM TECHNOLOGY* motor, lithium battery and Japanese steel blade, BaBylissPRO® 100% professional all-metal FX8700RE has been designed for demanding hairstylists and barbers who look for reliable, flexible tools with quick charge and optimal run time.

An outstanding design that really makes a difference with its competitors but not only: the machine is perfectly balanced for superior ergonomics and remarkably powerful. This stylish heavy-duty tool is as good for traditional haircuts as for detailed, creative and artistic works like outlining, fading, designs, hair tattoo...

▲ FX8700RE

* electronic DIGITAL motor

High-grade «fade» blade

45 mm precision engineered Japanese steel blade with DLC* / Nickel Titanium coating and a super sharp V cutting angle.

A «fade» blade, flat, perfect for taking down hard lines and the skin lines usually left behind by shavers as it gets really close to the skin.

Powerful

Long-life high-torque digital motor delivers high-performance for clean close cutting. The technological advancement of electronically controlled digital motors allow them to be lighter, feature ultra-low vibration, consume less energy, have a longer lifespan and generate less noise pollution. Ideal for all hair types. High power cord or cordless control.

100% professional

Robust all-metal housing design engineered for total professional reliability and uncompromising integrity.

3-hour quick charge and 2-hour battery operating time give hairstyling professionals maximum flexibility, time saving and efficiency.

Universal voltage allows them to travel the world with their clipper.

Comfort

The FX8700RE's body is scientifically balanced for superior ergonomics. It features a knurled, non-slip grip for comfort and support.

This machine of a highly technical nature is lightweight and silent.

Features
