UVFOIL

UV-DISINFECTING METAL FOIL SHAVERS

Keeping tools cleansed is time-consuming for barbering and hairstyling professionals and using antibacterial liquid solutions can be detrimental to foils and cutters overtime.

Their covers featuring UV lights, BaBylissPRO new metal shavers FXLFS1E & FXLFS2E are automatically disinfected between two clients. This innovative and exclusive feature is automatically activated when closing the cap.

UV light kills 99.9% of bacteria when shutting a the cover in just 3 minutes of sanitizing cycle.

The blue UV light indicator will illuminate indicating the ultraviolet sanitizing process is in operation.

Wait 3 minutes for the cycle to complete. The blue light will turn off when the cycle is done.

UVFOIL02

UV-DISINFECTING METAL DOUBLE-FOIL SHAVER

The UVFOIL02 is the perfect blend of design, engineering, and technology. Sleek, all-metal housing provides high-strength durability. Its ultra-thin floating double foil system delivers a safe, close shave without irritating the skin and offers a large shaving zone.

High-performance

Powered by a 10,000 rpm DC motor with a lithium-ion battery, the design and power are completed by arming the shaver with a precision engineered black Titanium foil. It delivers up to 5.5 hours of continuous run time on a 4-hour quick charge..

Its ultra-thin staggered double foil head provides the perfect cut on the contour of the head or the face.

It is very comfortable to use thanks to its perfectly balanced and ergonomic design.

The shaving foil unit can be removed very easily for easy regular maintenance.

Perfect results

The UVFOIL02 has been designed to achieve perfect trims and shades, becoming the perfect tool for extra-close shaves, and offer clean, net results. Its ultra-thin offset double foil system delivers a safe, close shave without irritating the skin.

You will be able to fuse the blend on bald fades, shave a whole head on very short hair. It enables you to even up, clean up the neckline, eliminate stubble and stray hairs from the face for clean shaving and a perfect irritation-free finish.

TECH SPEC
