

BamBino

**A 1200W power
in 12.5cm only!**

Small but so powerful!

**The Bambino hairdryer has a "travel" size
but is as achieving as a compact model.**

- It features 2 speed and heat settings.
- It can be taken along anywhere thanks to its dual-voltage feature (120-240V) and its selection switch.
- And as it so small but so great, it is provided with its diffuser and concentrator nozzle.
- Its additional advantages, a removable rear filter to make cleaning easy, a 1.80m long professional cord and a suspension ring to store it easily.
